

# **The 3th Annual Conference of Chinese Society of Metabolic and Bariatric Surgery**

**Co-organizers:** Chinese Society of Metabolic and Bariatric Surgery (CSMBS)  
The First Affiliate Hospital of Jinan University  
Chinese College of Excellence for the Surgery of Obesity and Metabolic Disorders

**Course Director:** Cunchuan Wang, MD PhD  
President, Chinese Society of Metabolic and Bariatric Surgery (CSMBS)  
Member, IFSO

**Venue:** Guangzhou, China

**Dates:** 8-10 September 2016

**Objective:** The conference will overview the current bariatric practice, discuss/debate on hot topics in the area, update on the new technologies, and predict the future development trend. A special session (IFSO Symposium) will be presented by faculties from IFSO leadership team. In addition, several live surgeries will be presented. Target audience will be surgeons, medical physicians and allied health members caring diabetic and/or obese patients and researchers studying obesity and diabetes.

**Confirmed Faculties:**

From IFSO: Drs. Natan Zundel, Scott Shikora, Almino Ramos, Mathias Fobi, Michel Suter  
From IFSO Asian Chapter: Drs. Lilian Kow, Wei-Jei Lee, Ali Tavakkoli, Simon Wong  
From China: Drs. Cunchuan Wang, Chengzhu Zheng, Jingang Liu, Shaihong Zhu, Nengwei Zhang, Hui Liang, Yong Wang, Qiyuan Yao, Zhong Cheng, Zhongtao Zhang, Sanyuan Hu, Jingge Yang, Wah Yang, Peng Charles Zhang, et al.
